**THE BOUNDARY COMMISSION WANTS TO  
ABOLISH ENFIELD SOUTHGATE  
CONSTITUENCY**

**YOU CAN STOP THIS HAPPENING!**

The latest Boundary Commission recommendations would abolish the Enfield Southgate constituency.

- **Winchmore Hill** moved into **Edmonton**.
- **Grange Park** pushed into **Enfield North**.
- **The rest** lumped in **with Wood Green** forming a strange stretched constituency from Hadley Wood past the North Circular and onto White Hart Lane.

The Boundary Commission is obliged to listen to local public opinion – so this can be stopped. Just register your objections before the 5th December 2022. (*see other side for how*).

**ACT TODAY! 5th DECEMBER DEADLINE**

# Save Our Southgate

**WHAT** *Please state your objections in your own words, with reasons which apply to you.*

- Your objections to the proposals. ie; fragmenting the community; separating homes from schools, places of work, worship & sports facilities. It's a mish-mash with no cohesion.
- Enfield Southgate is a historic seat with a **strong identity** and shared community. Its balanced and delivers variable political results. The proposal has no electoral, historical or cultural coherence.
- There is no connection between **Winchmore Hill** and **Edmonton**, or **Grange Park** and **Enfield North**. Neither has a shared sense of relationship with these constituencies.
- The proposed Southgate and Wood Green constituency is a strange stretched shape, from **Hadley Wood** to **White Hart Lane**. Crossing the North Circular and splitting Southgate between Enfield and Haringey makes no sense.
